BRILLIANT EXHIBIT OF New Spring Millinery

Far ahead of the displays which other stores are making, comes our brilliant showing of new spring millinery-a font of ideas-a world of style are represented in it. These are not hats that have been bought by the score or by the dozen. Every one of them has been carefully selected, carefully examined, carefully valued and carefully priced. Every one is a model of the best of New York, London and Paris ideas. And prices, if you compare them with what other stores are asking, you will find out the reason why so many women shop here for millinery needs. Our collection includes shapes made of hemp, Milan, rough straw in all the most popular shades that have been brought out for this season, including Nell Rose, Coque de Roche, Bernard, Emerald Green, Nagaski Green and Bulgarian, beautifully trimmed with all the prettiest and most desirable Bulgarian and Oriental trimmings. Miss Lillian Mustin, one of the best known artists of fashionable millinery in St. Louis, has just arrived in El Paso to accept a position as milliner at this score. This news ought to bring much joy to the women who look for distinctivenes sand individuality in their hats, for ber intimate knowledge of the approved fashions for spring makes her services very valuable. A visit to our millinery salon will prove very beneficial to you.
